Dear

## **Petition – Parking problems at Village shop**

Thank you for your letter and attached petition dated 13 September 2016.

The need for the reinstatement of the layby had previously been highlighted, and initial feasibility work has now been undertaken to provide engineering advice and a cost estimate. Funding has subsequently been found to progress the scheme, which is in the 2016/17 Programme for delivery.

I trust that this is good news, however please do not hesitate to contact me if I can be of further assistance.

Yours sincerely

Councillor Rob Humby  
Executive Member for Environment and Transport
