

Meonstoke Tennis Club

ANYONE FOR TENNIS?

The long-awaited tennis court at Meonstoke Recreation Ground is nearing completion, and we hope to have the tennis court ready for play in the next few weeks.

The tennis court will be a wonderful addition to the Recreation Ground which already boasts a playground, skateboard area, and gym equipment, and is sited at the far corner of the ground, with easy access for all.

The Meonstoke Tennis Club is a new, not for profit club, and we welcome anyone who lives in our local Meon Valley villages. If you or your family are keen on tennis, or wish to learn, why not consider taking out membership.

To provide the ongoing costs of the court, yet hopefully be affordable to all our residents, the subscription will be £25 per family per year.

Details of how to join will be **available shortly** on the link from the parish website or directly to: www.meonstoketennisclub.com

Apart from the social aspects of the game, there are enormous health benefits to playing a game of tennis, and it is a great game that all the family can get into. There are no age restrictions, and the Club is particularly keen to encourage younger members to play. We are hoping to arrange tennis lessons, including Mini Tennis for the under 8s and family-friendly sessions for Members in the very near future.

We hope to keep you posted with an update of events that we have planned over the forthcoming year.
