

#### Appeal to dog walkers .....

There has been a noticeable fall in standards regarding dog walkers picking up after their dog. Most affected are the Recreation Ground, the Churchyard and the footpath leading from the school towards Meonstoke House.

I'm sure you, dear reader, are not the culprit. So please take an extra bag with you to give to anyone seen ignoring their obligations and remind them that children play on the Recreation Ground - not to mention the Football Team and the Tennis Club.
